## *ANBC National Championships Brisbane 2019*

The South Queensland Budgerigar Breeders Association Inc. are proud to be hosting the Australian National Budgerigar Championships in Brisbane from May 24<sup>th</sup> to 28<sup>th</sup>, 2019.

This will be the first time it will be held in Brisbane at the Grand Chancellor at the top end of town. Across the road are the beautiful Roma Street Parklands, down the hill is our wonderful Southbank Parklands and north and south are our beautiful hinterlands and magnificent beaches.

We are calling this show "The Golden Nationals" because of our golden sun which shines 283 days of the year, our golden beaches, golden mangoes, golden pineapples and golden lifestyle.

We have carefully considered the cost of the accommodation and functions and we feel you will be pleased when the registration forms become available in the new year. We are offering a layby system where if you have some spare money some weeks you can deposit it into an account and this will come off your total bill when you register.

## **BRIEF HISTORY OF THE ANBC**

In 1964 at Griffith in NSW a group of Budgerigar Fanciers from Victoria, N.S.W. and South Australia held a meeting during The Griffith Cage Bird Societies Annual Show. The result of this meeting gave birth to the idea of conducting a National Teams Competition for Budgerigars.

- 1972** Dr. Harold Cooper from N.S.W. (Now Tasmania) started talking seriously about a Teams Competition with The Late Frank Gardener in Victoria. These two fanciers brought in Harry Eady and Evan Stafford from Victoria, Ron Hunt from N.S.W. and George Duffield from South Australia to help create interest within The Fancy.  
These early discussions became a reality when Harry Eady in 1974 convinced The BCA (now BCV) to host a Teams Competition.
- 1975** At Kensington, a suburb of Melbourne, the first Teams Competition was held. Victoria, N.S.W. and South Australia competed with Victoria winning this first competition, now held annually. Western Australia joined the Competition in 1978, North Queensland in 1979, South Queensland in 1980 and Tasmania in 1983.
- 1981** The necessity to have a controlling body to set the rules for this competition was now imperative. A steering committee made up from the competing teams met during the competition held in Perth W. A. The delegates were, Alan Marshall and Ron MacNamara from Victoria, Brian West and Amon Murdock from Queensland, Bruce Bradford, Kevin Kelly and Col Morgan N.S.W., Don Geary ACT, George Duffield and Stan Watson South Australia and Willie Schoeman Western Australia.  
The ground rules were established, a decision to hold the first ANBC official meeting in 1982 at Townsville and Mr Brian West was elected as the first ANBC Secretary.
- 1985** The National Colour & Standard Committee was formed to establish a National Standard to be used at the ANBC championship show. Colin Morgan N.S.W., Harry Eady Victoria and George Duffield South Australia worked on this task. Brian West joined the committee in 1987 to aid in the printing.  
This committee published the new standard in 1990, member bodies having the choice of using this standard or their own state standards.
- 1988** The ANBC approves the design for a National Show Cage. The new cage to be used at the ANBC championship show 1989 hosted by North and Central Queensland at The Iwsaki Resort in Yeppoon.
- 1989** The ground rules for a National Judges Panel & Examining Committee were presented to the ANBC.
- 1990** The first judge's examing panel made up for Harry Eady Victoria, Ron Hunt N.S.W., Harold Cooper Tasmania, Brian West North Queensland and Barney Hackney from South Queensland. The first show to be judged by nationally qualified judges would be hosted by South Queensland in 1992.

Important ground rules set by this committee and approved by The ANBC were:

1. This committee would have no jurisdiction over judges' panels from the member bodies.
2. No ruling committee to be elected.
3. The only position elected would be the chair person to conduct The National Meeting and a Co-ordinator to distribute minutes.
4. This committee is in place to examine candidates to qualify to be able to judge ANBC championship shows.
5. To deal with matters pertaining to the judging of The ANBC Championship Show.

# HALL OF FAME

In May 2003 the A.N.B.C. Inc decided to establish a 'Hall of Fame' with an inaugural division of 'Breeder Excellence'. ANBC National Class wins from and including 1983 are included in the tally. The 'Breeder Excellence' award has been established to publicly recognise the efforts of specific breeders in promoting the fancy at the highest level, and to acknowledge effort and achievement. Inductees are announced and presented with certificates at the Presentation Dinner on the Sunday evening of the A.N.B.C. Inc. National Competition Show. (National)  
Inclusion in the 'Breeder Excellence' division is based on the combined results in winning any variety class, which qualifies for State or Zone points in the National. (Exhibition Classes are not included).

Criteria used for induction into the Hall of Fame, Breeder Excellence Division is:

- An exhibitor (or partnership) winning classes on seven (7) occasions, or
- An exhibitor (or partnership) winning the same class on four occasions.

In October 2009 the A.N.B.C. Inc decided to establish a further division 'Honour Roll – for Service'. Five A.N.B.C. Founding Fathers were inducted into this Division on 30 May 2010.

Breeder's Quality

# GOLDEN COB™

Since 1895, we have been producing the GOLDEN COB™ Breeder's Quality range of seed mixes, to provide Australian birds with the nutrition they need for health & vitality.

A diet of seeds alone is typically low in essential nutrients, but GOLDEN COB seeds are coated with our unique vitamin & mineral enriched oil, to provide:

- ✓ **Vitamin A** – important for healthy immune system & good eyesight.
- ✓ **Vitamin D3** – to assist calcium absorption.
- ✓ **Vitamin E** – for reproductive health & increased fertility.
- ✓ **Iodine** – for healthy thyroid function.

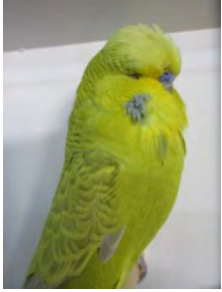

**GOLDEN COB Breeder's Quality** range developed by reputable breeders & avian experts, includes specially formulated products in 5kg & 20kg packs.
