G & M Lynch (Clearwing Pair - Lot 13)

Firstly, let me introduce ourselves. Michael and I have been breeding budgies for about 50 years. About 20 years ago we visited a local bird show and were amazed at the beautiful Clearwings on display and were immediately hooked on show budgies, as against the birds we had in our aviary. Our journey with show budgies has taken us to Hobart in 2016 where we obtained 5th place in the Clearwings.

In Mackay in 2017 we were placed 6th and 7th.

In 2019, Brisbane called, where we jumped up a few notches to gain 3rd place.

In Victor Harbor, South Australia in 2022, up another notch to 2nd place.

Who knows what 2023 will bring?

P.S. We have shown at seven shows this year and obtained Champion Clearwing in all of them.
