Intending purchasers must satisfy themselves as to the sex, colour, variety, origin, age, genuineness, provenance and condition of any lot in which they may be interested.

10. Each person wishing to bid will be required to register prior to the auction. The registration will require your name, address, contact phone number and signature.

11. Each registered person will receive a bidder's number. This number will be required to purchase any lots and must be shown to the Auctioneer after the fall of the hammer for completion of your purchasers receipt. All bidder number paddles need to be returned at the completion of the auction.

12. Each lot will be sold to the highest bidder.
