3. BUDGERIGARS

Only *Budgerigars* in good health, sound physical condition, fully feathered and self-sufficient [fully weaned] may be offered for sale. The organizers reserve the right to have a steward or recognized Avian Veterinarian inspect any or all of the *Budgerigars* offered for sale by a seller and, at their sole discretion, shall upon the advice of the *Sales/Auction Manager/Veterinarian* determine if the *Budgerigars* shall be allowed to be presented for sale.

Attendees of the Sale/Auction Event are NOT permitted to remove the Standard Show Cages from the Bench or use any item – judging stick, pen, fingers – to poke at the cage to move the bird around. The only people permitted to do this are the Sales/Auction Manager and the Stewards upon approval of the Sale/Auction Manager. Perpetrators may be subject to eviction from the Sale/Auction event.

Transportation of *Budgerigars* should be in accordance with section 5.1 of the Victorian Code of Practice for the Housing of Caged Birds. *It is recommended that Budgerigars being transported from the venue are to be carried in an enclosed but well ventilated vehicle and only to be confined to a transport cage for a maximum period of 24 hours.*

Message from Julie

Hello Everyone,

I would like to say thank you in advance for coming to the clearance sale of Phil's Budgerigars.

Since Bruce Wilson passed away and Phil became more involved again he has worked hard on his birds and has improved them by adding in some quality outcrosses that have helped him create improved birds.

I hope everyone who purchases birds does well with them – I know that's what Phil would want.
