Interstate bidders unable to attend – No problems!

We are more than happy to assist interstate bidders in any way possible. For any fancier wishing to attend the auction we are happy to provide information on local accommodation and provide directions on how to get to the venue.

For fanciers who are unable to attend we will aid in bidding. There are 2 alternatives; we can have you set a limit on any lots of interest prior to the auction. We will have somebody bid on your behalf to that limit. Of course, if the bird sells for an amount less than your limit you only pay the lesser amount.

Alternatively, we can setup phone bidding for you on the day of the auction. You then have the ability to listen in on any lots that you may be interested in and bid via the telephone

Obviously, the cost of freight and collection at the final destination will be borne by the purchaser.

This facility is only available to bidders who have made prior arrangements with Garry Menzies 0438 227 009

Please contact Garry by Thursday evening 20th June

If you are using a person out side our team of phone bidders, please ensure that they are responsible for your purchases with payment of birds & arrangements for transport

Payment of purchases has been made easy, you can pay with your Credit Card, Direct Deposit or Cheque but prior arrangements must be made if you plan to use a personal cheque.

Phone bidders

Please arrange your own transport.

We can supply a travel box at your expense

There are a number of Transfer Companies out there who can transport your birds

Contacts:- Phone Garry 0438227009 email jgmenz@bigpond.com

AUCTION RULES

1. Judging sticks and carry cages will not be allowed into the auction room. The birds must not be interfered with or subjected to sticks, pens or similar objects.

NO SMOKING will be permitted in the auction room at all times.

2. Prior to the start of the auction each intending bidder is required to complete a registration form & receive a bidder's number. The bidder's number will be required to purchase any lots at auction and must be displayed to the auctioneer after the fall of the hammer.

3. All lots will be submitted in the order in which they appear in the catalogue; however, if necessary the vendor or the organizers reserve the right to make any alterations, additions or deletions to this order.

4. All conditions and warranties expressed or implied by law are hereby excluded and as all lots are open for inspection prior to commencement of the sale, the same are sold with all faults, if any, therefore no compensation shall be made in respect of any fault or imperfection or error of description of any lots sold or otherwise. SQBBA acts as an agent only in respect of the goods being auctioned & is not responsible for any faults, defects or description of any lots.

Intended purchasers must satisfy themselves as to the origin, age or condition of any lot in which they may be interested.

5. Upon the fall of the hammer each lot shall be at the purchaser's risk.

6. After the fall of the hammer no party will be allowed to retract his/her bid.

7. The highest bidder shall be the purchaser, and in the event of any dispute arising the lot in dispute shall be put up again and the auctioneer's decision shall be final.

8. The auctioneer reserves the right to accept or refuse any bid on birds without having to state the reason or reasons thereof.

9. Telephone bidding will be available, provided **PRIOR ARRANGEMENTS** have been made with Garry Menzies who will arrange for a SQBBA nominated phone bidder to contact you. Payment arrangements must be confirmed prior to the auction.

10. Payment for the goods on the day shall be by **CASH, MASTERCARD, VISA or Direct Deposit** unless prior arrangements have been made. There will be no surcharge for Credit purchases. Personal cheques will not be accepted on the day of the auction without prior arrangement.

12. Successful purchasers of lots will be required to take their purchases with them before or at the completion of the auction. All lots must be removed at the completion of the sale.

13. If any successful bidder shall fail to pay for their purchases on the day, the vendor or his agents have the right to resell the lot in any manner they think proper.

14. Purchases may be collected prior to the completion of the auction. But please be aware that the auction is still in progress and our admin staff are busy keeping records. If you can please arrange with admin staff for an early pickup. There will be a break in the auction at lunch time. **See steps below**

14.A Take the sales slip & bidding card to the cashier

14.B Pay for purchases & obtain receipt for your purchases.

14.C Proceed to the SQBBA Steward at the allocated collection point with your own carry cage and your receipt of purchase.

14.D Under the supervision of the SQBBA Steward the purchaser will be required to remove the bird/s from the sale cage and transfer it/them to their own cage. Birds must be transferred in transfer cage provided, **no birds to be taken out of show cages outside of transfer cage.**

14.E The vendor, his agent, the auctioneer or any staff will not be handling the birds. It is the sole responsibility of each purchaser to handle his/her own birds at collection.

Please note purchasers must provide their own caging facilities. Travel boxes may be available for purchase from Sales tables
