Welcome to the second South West Budgerigar Auction as part of our “Budgies in the ‘Bool” weekend.

Our aim with this auction is to have something for everyone and to make it part of a great weekend of Budgie fraternity and friendship. Start early, short auction, and get people back to their families (so they’re allowed to do it again next year!).

We have birds selling from ANBC Hall of Fame members, Garry Gazzard, Alan Rowe, Jeffrey Leong, Ray Slade and Peter Thurn. We thank our interstate vendors, The Holmes Family, Garry and Helen Hibberd, The Boal Family, Trevor Broadbent, Michael Pace who amongst them have won countless National logies. It is great to have the support of this great group of breeders. And of course, we have a strong contingent of local Victorian breeders representing some of the most successful Champion status exhibitors as well as some up-and-coming breeders that you need to keep an eye on.

There will be pet transporters available to take your phone bids, so get in early and book your spot.

For those travelling to Warrnambool, there are plenty of accommodation options. Jump online to check them out. Also, if you plan to join us for dinner on Saturday night, please let us know so we can book you in.

We look forward to seeing you at the little auction that packs a big punch!
