# **THE HILLS BUDGERIGAR AUCTION**

For over 20 years the Hills have sought to host an auction that supplies birds of tremendous quality. From the outset, the club placed an emphasis on sourcing only the finest birds available for this event and hence numbers are strictly limited. The auction features a selection of breeders who have had success at every level of competition. This includes numerous Australian National and State wins along with a host of Grand Champion/Best in Show wins.

We invite you to the 2025 HILLS BUDGERIGAR AUCTION. An opportunity to buy top quality birds from the studs of some of Australia's finest breeders.

The club is more than happy to assist bidders in any way possible. For those wishing to attend the auction we are happy to provide information on local accommodation and provide directions on how to get to the auction venue.

For those unable to attend we can assist with bidding. This can be done by setting a limit for any lots prior to the auction. We then have somebody bid on your behalf to that limit. Of course if the bird sells for an amount under your limit you only pay that amount. If the bird goes over your limit then obviously you miss out.

Alternatively, contact us and we can arrange telephone bidding for you. You then have the ability to listen in on any of the lots you may be interested in and bid via the telephone. In all cases payment must be made prior to the birds being released from the venue.

## **NO CREDIT CARD SURCHARGE**

## **AVIAN VITALITY**

Avian Vitality will be attending the Hills Auction again this year. A reminder from Jeff and Heather: Pre ordering saves time and ensures you get your stock on the day. See back page ad for contact details. You will also be able to get a freshly brewed coffee!

## **TRANSPORT SERVICES**

All successful bidders are required to arrange transport for their lots from the Auction venue.

**NOTE: The Hills Budgerigar Club will not be organising transport services.**
