## **Geoff & Jennie Smith NSW**

Jenni and I started breeding budgerigars in the 1980s in Newcastle NSW. As Open breeders, we successfully bred olive budgerigars. We left the hobby for some years but returned in 2023 with a renewed enthusiasm and passion to breed and show outstanding budgerigars. The backbone of our stud is primarily lines from Randall, Gazzard, Barnett, Walsh, Bucior, Kent, and Hunter. We breed Yellowface, Dominant Pieds, Spangles, Normals, Cinnamonwings, Opalines, Recessive Pieds, and Dilutes. Success on the show bench meant that we moved to Intermediate very quickly. Our focus is on representation at the Nationals. The great news is that this November we become Queenslanders !!

## **Barlow-Janes Budgerigars Sth Qld**

**Graham Barlow** has been in the fancy since 1990 when he joined the *Maryborough Budgerigar Society*, now *Fraser Coast Budgerigar Society*. Fifteen of these years as a judge. Graham has won at National level with a dominant pied and placings at National level. Other successes with different varieties at club level and with the Wide Bay Capricorn challenge. This years (2025) zone selection saw *Barlow & Janes* with a 1st and 2nd with albinos and 3rds with Opaline ASC AOSV and Dilute ASC (Normal). Graham, retired, is now more honed-in and devoted to improving breeding methods. Moreso since a visit to Daniel Lutolfs' aviary in September '24 where fresh knowledge was gained. Now known as *Barlow-Janes Budgerigars*, Graham and Ineke are striving to improve their stud by bringing in out-crossings from top breeders in southern states.

## **John Ennis Victoria**

I started breeding in 2006 with birds from a variety of Victorian breeders. Over the years I have had some success at Victorian shield competitions and Diploma shows. Nationally I have won four classes being Yellowface, Spangle, Opaline AOSV and Cinnamon.

I try to breed birds with modern face while maintaining size, deportment, health and fertility. This doesn't always work but I have fun trying.

## **Peter Glassenbury SA**

My first show in 1959 was memorable and established a need to progress in this wonderful hobby.

As a Junior I exhibited in Port Pirie's inaugural show and won Best in Show out of some 1200 exhibits with a Black-Eyed Self.

The love for this variety has existed to this day and I now retire from the hobby with three National winners in that class (could not manage the fourth).

Over the years I have held almost every position in the clubs here in SA and in the Budgerigar Council of SA. I became a Judge in 1994 and progressed to National level a few years later and proudly officiated in six Nationals to date.

Breeding the rarer varieties assisted me greatly as a judge and Co-Ordinator of the ANBC Colour and Standards for many years.

Health aspects have caused the decision to leave the hobby and I hope the purchasers of birds presented for sale assist their breeding programmes as all would have formed part of my ongoing programme.
