3. The sale is an unreserved auction of birds listed in the catalogue, some substitutes may also be included.
4. All lots will be submitted in the order in which they appear in the catalogue.
5. The Auctioneer reserves the right to accept or refuse any bid on birds without having to state any reason or reasons thereof.

All statements in the catalogue or attached to the show cages as to the sex, colour, variety, origin, age, genuineness, provenance or condition of any lot should not be relied upon as statement or fact. Intending purchasers must satisfy themselves as to the sex, colour, variety, origin, age, genuineness, provenance and condition of any lot in which they may be interested.
10. Each person wishing to bid will be required to register prior to the auction. The registration will require your name, address, contact phone number and signature.
11. Each registered person will receive a bidder's number. This number will be required to purchase any lots and must be shown to the Auctioneer after the fall of the hammer for completion of your purchasers receipt. All bidder number paddles need to be returned at the completion of the auction.
12. Each lot will be sold to the highest bidder.
13. After the fall of the hammer no party will be allowed to retract his or her bid, and subject to the vendor having the right to bid, the highest bidder shall be the purchaser. In the event of any dispute arising, the lot in dispute shall be put up again and the auctioneer's decision shall be final.

16. To prevent inaccuracy in delivery, no lot can be removed during time of sale. All lots must be removed at completion of the sale or as specified at the time of the sale.

They shall proceed to the payment table where they shall pay the purchase price plus the 2% buyers premium and be given a receipt. This receipt will be proof of payment received and required for collection of the goods purchased.

20. Purchasers are required to take a carry box/cage and their receipt to the collection point, where, upon production of receipt, the collection steward will gather the show cages containing any purchased lots.
